

Forest School Kit Information

For children to get the most out of Forest School, they need to be dressed for all weathers. Forest School has so much to offer, but it's only enjoyable if children are warm, dry and comfortable.

As the sessions take place outdoors in all conditions, please make sure your child has the right clothing every time. This includes waterproofs, suitable footwear and layers that can be added or removed depending on the season. In the warmer months lighter layers work best, and in the colder months extra layers help keep children cosy under their waterproofs.

With the right kit, your child will be free to play, explore and enjoy everything Forest School has to offer!
